[Nooters Club](#) offers spay and neuter message gifts aimed to put a smile on your face while getting a message out

“Our spay and neuter gifts provide a comical twist on a serious message that we hope will inspire pet owners to get their pets fixed and save millions of lives each year!”

Their product line:

“Our wide variety of **NOOTERS CLUB®** t-shirts, fashion t-shirts, sweatshirts, tank tops, tote bags, magnets and other items make great pet lover gifts for your favorite dog, cat or rabbit guardian! All of our spay and neuter gifts feature our whimsical characters and are made of high quality cotton or cotton/poly blends. Help us spread the word about pet spay and neuter and responsible pet guardianship!”

Of note is the fact that they offer products for sale for fundraising, veterinary marketing or retail promotion!

They did send us some really nice shirts to “review”. They are made well with a great message. If your organization is looking for a fundraising idea or if you would like some cool tee’s and other great gifts with a animal friendly, paw-tastic message, do give them a look!
